

Application for Regional Conference accommodation at Bishop Grosseteste University Longdales Road Lincoln LN1 3DY on Tuesday 28 July 2015

Why not treat yourself to a mini-break in Lincoln when attending the 2015 Conference? Accommodation is located on the campus, just ten minutes walk from the historic Bailgate area of Lincoln with its famous cathedral and castle where you can see the 800 year old Magna Carta (1215) and Charter of the Forest (1217) displayed in suitable environmental and secure conditions. A full height enveloping cinematic auditorium will provide in-depth content about Magna Carta, Charter of the Forest, and the deciding Battle of Lincoln Fair against Prince Louis of France in 1217 that followed King John's death. A series of films projected onto a curved 180 degree screen will immerse visitors in medieval battles, momentous occasions in the history of liberty and justice, and fights for rights today.
