U3A

NEWS BITES! MARCH 2013.

U3A (INDIVIDUAL)

Grantham U3A on Air

Last May, Grantham U3A performed a play called "Finding Words". A radio version of that play entitled 'Priorities' has been recorded and will be broadcast by Gravity FM in the near future. Gravity FM is a Community radio station transmitting on 97.2FM and also online. They have not only provided Grantham U3A with studio and editing help but are going to give them a deal of publicity over the next few weeks, including interviews and U3A jingle, written by David Anderson, for John Down's singers to record. David will be talking about this experience and playing excerpts from the recorded CD at the Regional Conference, 2nd July (see below).

NEIGHBOURHOOD (CLUSTERS OF USAS IN LOCAL AREAS)

Well done Eric!

Congratulations to Eric Hall, whose photograph of walkers in the snow at Thoresby took first place in the holiday photographic competition, run there by Mansfield's Digital World Photographic group. It's available on-line at <http://tinyurl.com/bt6e8sr>.

The judges considered over 300 entries showing 'People relaxing at Thoresby and were particularly impressed by his humorous interpretation of 'relaxing', the composition and the way he overcome the problems created by a snow scene in bright sunlight.
